### **Top 5 Goals**

### Established by Board of Directors on September 16, 2020

1. Wastewater TN (Total Nitrogen), Na (Sodium) & Chloride concentration reduction plan and results to meet WDR requirements (not TSO but finalWDR), including sewer cleaning and inspection.

#### **Brief Summary:**

- Tasks 1-8 of the Time Scheduled Order (TSO) are complete. Tasks #9 & 10 are both due 10/31/2021.
   Task #9: Collect samples to identify chloride sources. Task #10: Evaluate options for a chloride reduction program. The Wallace Group has been tasked with writing the sampling protocols and sampling plan to determine the source of Sodium and Chloride in the WW collection system. The project is 20% complete.
- Sewer Jeting and Inspection- Jon Turner, w/Phoenix Engineering has submitted a proposal to write
  the specifications for jetting and CCTV work on the collections system. The specifications will be put
  out for bid from qualified contractors that are able and interested in doing this work for the CSD. The
  work will proceed after a contract between the CSD and Phoenix Engineering has been signed. The
  project is 0% complete.
- Lift Station upgrade project- Jon Turner, w/Phoenix Engineering has submitted a proposal to write the specifications for upgrading the WW lift station. The proposed work includes but is not limited to: Moving the electrical switchgear from the dry well up to ground level; Installation of an installed emergency generator and automatic transfer switch. The work will proceed after a contract between the CSD and Phoenix Engineering has been signed. **The project is 0% complete.**

#### 2. Lawsuit defense against the City of Lompoc

#### **Brief Summary:**

 The Board will receive an update on this item in closed session at the September 27, 2021 Boardmeeting.

#### 3. Water pressure surge control – Design/Build of the surge tank near the water treatment plant.

#### **Brief Summary:**

Surge tank is in full service and operational.

#### 4. Cost Reduction - Energy usage (solar) and other applicable initiatives

• Staff recommends meeting with the Energy Committee to discuss the feasibility of implementing solar for the existing infrastructure. Staff and Committee need to evaluate the capital cost and payback period to determine if it is cost effective to proceed.

### Consent Item 7. B v

#### MISSION HILLS COMMUNITY SERVICES DISTRICT

#### **MEMORANDUM**

**TO:** Mission Hills Community Services District Board of Directors

**FROM:** Brad Hagemann, Interim General Manager

**DATE:** September 27, 2021

**SUBJECT:** Discussion and Consideration of Adoption of Resolution to Authorize Remote

Teleconferencing Meetings in Accordance with Newly Adopted Government

Code Section 54953(e) (AB 361)

#### **Recommendation:**

Staff recommends that the Board of Directors discuss and consider adoption of a resolution pursuant to newly adopted Government Code Section 54953(e) (AB 361), to permit continued remote teleconferenced meetings.

#### Fiscal Impact:

The District will continue to incur the costs associated with holding remote teleconferenced meetings.

#### **Discussion:**

AB 361 has amended Government Code Section 54953, adding a new subsection (e) that permits legislative bodies, when there is a proclaimed State of Emergency declared by the Governor pursuant to Government Code Section 8625, to make a determination to authorize meeting remotely via teleconferencing as a result of the emergency. To do so, a resolution would need to be adopted in which the legislative body finds that meeting in person would present imminent risks to the health or safety of attendees, or that State or local officials have imposed or recommended measures to promote social distancing.

The resolution is valid for thirty (30) days after teleconferencing for the first time pursuant to Government Code section 54953(e). If the State of Emergency remains active after that 30 day period, the local agency may act to renew its resolution authorizing remote teleconferenced meetings by passing another resolution which includes findings that the State of Emergency declaration remains active, the local agency has reconsidered the circumstances of the State of Emergency, and the local agency has either identified: A) ongoing, direct impacts to the ability to meet safely in-person, or B) active social distancing measures as directed by relevant state or local officials.

A draft resolution has been prepared for Board consideration. It includes findings based upon a determination that as a result of the proclaimed State of Emergency in California due to the COVID-19 pandemic, and its continued spread in Santa Barbara County and Lompoc through the Delta variant of SARS-CoV-2, which is far more transmissible than prior variants of the virus, may cause more severe

illness, and that even fully vaccinated individuals can spread the virus to others, holding meetings in person would present imminent risks to the health or safety of attendees.

### RESOLUTION NO. 21-331 September 27, 2021

A RESOLUTION OF THE BOARD OF DIRECTORS
OF THE MISSION HILLS COMMUNITY SERVICES DISTRICT MAKING
FINDINGS IN ACCORDANCE WITH AB 361 AND GOVERNMENT
CODE SECTION 54953(e), AUTHORIZING REMOTE TELECONFERENCE
MEETINGS OF THE LEGISLATIVE BODIES OF THE MISSION HILLS
COMMUNITY SERVICES DISTRICT

WHEREAS, on March 4, 2020, Governor Newsom declared a State of Emergency in the State of California pursuant to Government Code Section 8625 as a result of the threat of the Coronavirus (COVID-19) pandemic; and

WHEREAS, subsequently, in March 2020, in response to the COVID-19 pandemic, Governor Newsom issued Executive Orders N-25-20 and N-29-20. These orders suspended certain elements of the Brown Act and specifically allowed for legislative bodies as defined by the Brown Act to hold their meetings entirely electronically with no physical meeting place. On June 11, 2021, Governor Newsom issued Executive Order N-08-21 which provided that the provisions in Executive Order N-29-20 suspending certain elements of the Brown Act would continue to apply through September 30, 2021; and

WHEREAS, on September 16, 2021 Governor Newsom signed AB 361, which added subsection (e) to Government Code section 54953 of the Brown Act, and makes provision for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the State caused by conditions as described in Government Code section 8558; and

WHEREAS, there has been a significant increase in COVID-19 cases in Santa Barbara County due primarily to the Delta variant of SARS-CoV-2, the virus that causes COVID-19. Emerging evidence indicates that the Delta variant is far more transmissible than prior variants of the virus, may cause more severe illness, and that even fully vaccinated individuals can spread the virus to others; and

WHEREAS, the Board of Directors now desires to adopt a Resolution finding that the requisite conditions exist for the legislative bodies of the Mission Hills Community Services District, as defined in the Brown Act, to conduct remote teleconference meetings without compliance with paragraph (3) of subdivision (b) of Government Code section 54953.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Mission Hills Community Services District as follows:

1. The above recitals are true, correct and are incorporated herein by this reference.

### Agenda Item 8.A.

Attachment 1

- 2. The Board of Directors of the Mission Hills Community Services District hereby determines that as a result of the proclaimed State of Emergency in California due to the COVID-19 pandemic, and its continued spread in Santa Barbara County and Lompoc through the Delta variant of SARS-CoV-2, which is far more transmissible than prior variants of the virus, may cause more severe illness, and that even fully vaccinated individuals can spread the virus to others, holding meetings in person would present imminent risks to the health or safety of attendees.
- 3. The General Manager and legislative bodies of the Mission Hills Community Services District are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including, continuing to conduct open and public remote teleconferencing meetings in accordance with the requirements of Government Code section 54953(e) and other applicable provisions of the Brown Act.
- 4. This Resolution shall take effect immediately upon its adoption and shall be effective until the earlier of (i) thirty (30) days after teleconferencing for the first time pursuant to Government Code section 54953(e), or such time that the Board of Directors adopts a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the legislative bodies of the Mission Hills Community Services District may continue to teleconference without compliance with paragraph (3) of subdivision (b) of Government Code section 54953.

Resolution No. 21-331 was adopted at a Special Meeting of the Mission Hills Community Services District on September 27, 2021.
